Redwood City Council Establishes \$1.35 Rate

Taxpayers in Redwood City will pay \$1.35 per \$100 assessed property value for the fiscal year, 1942-43, two cents more than last year.

Redwood City councilmen this week introduced a tax levy ordinance for this amount which will be passed at their next meeting and approved a budget calling for the appropriation of \$318,277.27 during the 1942-43 period which compares with \$299,960.25 last year.

Cause for the rise in the appropriation was given this morning by C. W. Eltringham, acting city manager, as additional needs for civilian defense funds which were not appropriated last

year and approximately \$11,000 which will go to pay war bonus salary hikes to city employees.

Of the \$318,277.27 appropriated, \$213,645 will come from the tax levy and \$104,632.27 from miscellaneous revenues such as money turned over by the Port Commission, fines and in lieu taxes from the state government.

The \$1.35 tax rate will apply to citizens in the Old Town and Annexation of 1903 sections of the city alone. Those in South Redwood and Carmelita Manor will pay \$1.27; those in the Port Area \$1.11, and those in the Friend Industrial Tract \$1.06.

This year \$203,406 was appropriated for general purposes as

Rich Contests Former Wife's Will

James F. Rich has filed in superior court at Redwood City a contest of will of his former wife, May E. Rich, who died June 9 in San Mateo.

Rich charges that the alleged will was not entirely written, dated and signed by Mrs. Rich; was not properly attested nor properly executed; did not sign in presence of alleged witnesses; witnesses did not sign will as witnesses in presence of the testatrix nor in the presence of each other; that she was of unsound mind and did not know what she was doing when she executed the alleged will.

According to the will, Mrs. Rich left personal property and real property at 414 Wisconsin Ave., San Mateo, to her nephews, Richard, Francis and William Ervin, all of San Francisco. Hannah O'Sullivan was named administrator.

Rich was divorced from Mrs. Rich Feb. 13, 1941.

Grass Fire Scorches Side of M.P. House

A grass fire started by children playing with matches slightly scorched the side of a house at Valmont St. and Woodside Rd., near Menlo Park, Monday afternoon at 3:30 o'clock.

The blaze was put out by equipment from the Menlo Park-Atherton fire district.

compared with \$191,121 last year and \$114,871.27 was appropriated for special purposes this year compared with \$105,839 last year.

A Gentleman AFTER DARK

Move Speeds Training

As part of a drive to speed up certification of civilian defense volunteers in Redwood City, Mayor Floyd D. Granger announced this week that morning classes were being planned for those workers who are employed in night war production positions.

To be eligible for certification, all volunteers must complete federally prescribed courses and the mayor said the city organization desires to have as many volunteers as possible trained by Sept. 10, date set for completion by federal officials.

Those workers desiring to take part in the morning classes may enroll at the civilian defense office in the city hall.

Courses to be offered are in general work, gas and fire defense and first aid.

The mayor issued a plea for more workers of all types, both those who could take morning classes and those who could take night classes.

"We are especially in need," he said, "of young, active men for the gas decontamination squad." This squad, whose duties are to "mop up" after a gas attack, needs young men because they must function in air tight, gas resisting suits, which, the mayor explained, were particularly difficult for older men to manage.

Enrollments may be made Mondays from 9:30 a.m. until 3:30 p.m. and Tuesdays from 7 p.m. until 9 p.m.

Narrow streets and greatly increased use of motor vehicles have created a traffic problem in Panama City, the Department of Commerce says.

Redwood City Youth Attends Wisconsin Radio School

William G. Allured, 18, 243 Fulton St., Redwood City, is studying at one naval training school for radiomen at the University of Wisconsin, Madison.

He is receiving training in international code, radio theory and laboratory, typing and spelling in addition to advanced training in military drill, first aid and naval procedure. Upon completion of the four-month course, he will be eligible for a petty officer's rating of radioman, third class.

Allured, who enlisted in the navy in May, went through recruit training at the U.S. Naval Training Station, San Diego. After finishing school at Madison, he will be assigned to active duty at sea, or some naval shore station.

COMPLETES TRAINING
Pvt. Woodrow H. Davis, 25, son of Mr. and Mrs. M. G. Davis, Woodside, has been graduated from an intensive course in aviation mechanics at Sheppard Field, Tex. Sheppard Field, near Wichita Falls, is one of the

many army air forces technical training command schools which trains the ground crews to "Keep 'Em Flying."

ENTERS NAVY
Patrick Regan Branson, son of Mrs. Carl Branson of Eaton Ave., left yesterday morning to enter training for the navy in San Diego. His stepfather will leave soon for Norfolk, Va., for special training in construction work, after which he will go overseas as an employee of the navy.

YOUTH TRANSFERS
Mr. and Mrs. Douglas Duncan have received word that their youngest son, Robert, who has been with the merchant marine, has enlisted at Portland, Maine, with the United States Naval Reserve. Their eldest son, John, is with the navy as an instructor in special radio work at Texas Agricultural and Mechanical College. The Duncans visited their other son, Denton, who is doing war work in San Diego, on a recent vacation trip.

City Board Plans Change

An amendment to the civilian defense ordinance passed last year in order to bring Redwood City operations in line with federal Office of Civilian Defense suggestions was introduced this week by the city council at its meeting in the city hall.

After publication in a legal advertisement the ordinance will be passed at the next session of council.

With the amendment the ordinance will call for a two sided organization with one side devoted to service functions such as bond sales and scrap drives while the other will deal exclusively in air raid defense preparations.

Both sides of the organization will be directed by the city manager who will work with the advice of the mayor and the city council.

In event of an actual air raid the mayor as defense commander will supercede the city manager and control.

City Atty. Paul A. McCarthy said this morning that the ordinance makes the hiring of a

Following is an editorial reprinted from San Mateo Times August 13, 1942

(Editorial)

Peterson Retains Public Confidence

Analysis of election returns throughout the nation in the last few weeks reveals an unusual situation in which the voters are evincing an intense but silent interest in the political situations in which they are involved. Never has there been so little ballyhoo on behalf of candidates, never has there been so little apparent surface excitement. But down in his heart every voter today is taking seriously the things he has to do. No more fooling. No more voting on half facts. No more waiting to the last minute. No more voting for Jones or Smith because he's a good fellow and, after all, what does it matter? No more of that. The war has made us all deadly serious.

That's one of the reasons why the campaign this year for county executive isn't kicking up so much dust. Most voters in San Mateo county have their minds made up how to vote at the primary election on August 25. They're for Peterson.

COL. FREDERICK PETERSON

In the first place, we've had Peterson on the job as county executive for four years, and we have seen him in action, particularly where there was any possibility of effecting economies in government which would cut down the annual tax bill. We know his record on that and we know that economy is probably going to be the biggest thing in all our lives for the next few years to come. We know that, if Peterson does nothing else in office, he will save us every cent he can, and on that basis alone we would give him our vote.

He has done well along that line in the four years of his incumbency. He would have done better for the county at large and for the individual taxpayer if he hadn't had to spend half his energy fighting the majority of a board of supervisors who made Peterson their Public Enemy No. 1 and who opposed everything he advocated. Given a full board of supervisors willing to co-operate with him in an all-out move for economy, we might go a long way toward keeping our individual budgets balanced while we pay for the war.

Peterson's chief opposition has always been the political clique of which some supervisors have been spokesmen. The people have always been for Peterson because they recognize in him honesty, loyalty to them, and a rugged determination to do the right thing.

They voted for him twice in 1938, once when he, almost single-handed, advocated changing the county executive office from appointive to elective, and again when he beat the politicians in their plan to elect their own representative. So angry were they with this seizure of their administrative power that they organized a countywide campaign against Peterson and hurled on the 1939 ballot a charter amendment to abolish Peterson's job. Of course, they lost, but in 1940 they tried again in vain, this time with an amendment to return the office to their own control by making it appointive.

It is significant that one of Peterson's chief opponents in the present campaign was a member of the board of supervisors who fought Peterson so consistently and who tried desperately to persuade the voters three years ago to abolish the county executive job entirely, because he said it was unnecessary. Now he wants it himself.

That's another thing about Peterson. There's no chicanery about him. There's no blowing hot and cold whichever way the political wind goes. He's on the same road and pointing the same way as he was when he made his campaign in 1939. He said then it would be cheaper for the county to run its government the way he suggested and the people believed him. That's his whole campaign today. He just goes plugging along for more and more economy, more and more intelligence in the administration of county affairs, more and more attention to the job of government. He hasn't changed. We don't believe the people have, either.

(This advertisement paid for by friends of Frederick Peterson)

R.C. Woman's Brother Wins Silver Star Award

Lieut. Col. Frank Dorn, brother of Mrs. W. B. Langston of Redwood City, has been decorated with the Silver Star medal for gallantry in action, it was revealed in an Associated Press dispatch.

Colonel Dorn is aide to Lieut. Gen. Joseph W. Stilwell, who is leading forces in the Far East. The citation said Colonel Dorn voluntarily exposed himself to Japanese fire in assisting in a Chinese attack on Japanese positions at Taunggyi, Burma, on Apr. 23.

Mrs. Langston said today that Colonel Dorn was born in San Francisco and graduated from West Point in 1929. He left the United States on Feb. 1 of this year and traveled by clipper to join General Stilwell's forces.

GRASS FIRE EXTINGUISHED

Redwood City Fire Department extinguished a grass fire on James Ave. and El Camino Real at 11:46 a.m. Tuesday.

Fred Beer Points To Past Record

Pointing to the reduced tax rate made possible this year despite heavy war costs, Fred E. Beer, chairman of the San Mateo County Board of Supervisors, was this week winding up his campaign for re-election with meetings throughout the county with citizens working in his behalf.

Beer stated today that he expects the tax rate to be reduced as low as \$1.06 in the final analysis and predicted that San Mateo County would again have the lowest per capita cost of government in the entire state of California for the coming year.

Beer, who for many years has devoted practically full time to county affairs in his position of supervisor, is regarded by thousands of citizens throughout the county as one of the most valuable county officials in office today. Supervisor Beer has been the motivating force behind the development of the new Flood Park Recreation Center where people from all over the county are coming to play and relax.

The establishment of the half-million dollar United States Merchant Marine Cadet Basic Training School at Coyote Point is another tribute to the foresight of Supervisor Beer. Had he not insisted on the purchase of this site, this great naval project would have been lost to the county. In addition to this, when peace comes the county will proceed with the creation of a splendid recreation and beach development at the point, adjacent to the maritime academy.

Fred Beer is one of the most respected citizens of San Mateo County, having been a successful business man in the City of San Mateo for 30 years; it is this experience that is so valuable to the county in his administration of business affairs. He served as city councilman and mayor of San Mateo, was president of the San Mateo Chamber of Commerce and held scores of other civic offices.

Fred Beer is a man of the people, always acting for the best interests of all the citizens of San Mateo County and is an independent candidate, not aligned with any separate group or special interests.

Beer today urged all citizens to keep up the spirit of democracy by exercising their privilege to vote on Tuesday, Aug. 25.

West Point is celebrating its 140th anniversary this year.

C. of C. Has Huge File Of Addresses

The addresses of practically everyone in California are on file in the city hall offices of the Redwood City Chamber of Commerce, Roscoe D. Wyatt, chamber secretary-manager, said today as he added still another 1942 state city directory to his collection.

Wyatt claimed to have complete directories on hand for approximately 500 California cities and parts of Nevada and Oregon communities.

Besides these volumes — constantly kept up to date — the secretary-manager also has a copy of every city directory ever issued in Redwood City.

While most calls for directories concern business men seeking out-of-town business addresses, Wyatt today told of reference uses to which his old Redwood City directories had been put.

Recently a couple from Iowa, celebrating their silver wedding anniversary, applied to him for the address of the home in which they were married here.

All they remembered was the name of the minister who performed the ceremony but from that it was a simple trick for Wyatt to look up the address in a 25-year-old directory and tell the couple where to go to take the photograph they wished for their collection.

The use of the references are open to all Redwood City-zens.

Two pounds of waste fats will furnish enough glycerin for five anti-tank shells.

Seventy Commuters Attend Annual Outdoor Barbecue

Seventy commuters, their wives and friends attended the annual Redwood City Commuters Club outdoor barbecue at the Richard tum Suden estate Saturday.

John Brand, chairman of the committee in charge, spoke briefly of the war bond drive and notified members of the organization that the club will operate the sales booth on Broadway Saturday.

Mrs. Martin Levy spoke in behalf of Russian war relief. Club president Elmer Ross and Jack Welch spoke in the interests of the Community Chest and USO drives.

Music was furnished by the club's "haywire" orchestra with William Dobbin, Jack Mueller and Jack Welch playing. Vocal selections were offered by Mrs. tum Suden, Bert Conroy, Josephine Giannini and Lloyd Moore. William Curran, Ross and Moore alternated as master of ceremonies.

At the suggestion of Wrex Cruz, the commuters sang "God Bless America" to honor the members in military service. Members learned that a service flag is being made as a further tribute. Each man in service will receive a letter telling them of the barbecue and the dedication.

M. A. Grant Elected To Public Works Group

M. A. Grant, San Mateo County engineer who lives in Redwood City, has been elected to membership in the American Public Works Association. It was announced in Chicago today by the headquarters of the association.

The American Public Works Association, a service organization for the engineer and administrative officer in the public works field, was formed in 1937 through merger of the American Society of Municipal Engineers and the International Association of Public Works officials, which originated respectively in 1894 and 1917.

Mrs. Barbara Sargent Wins Divorce Decree

Superior Court Judge Maxwell McNutt has granted an interlocutory decree of divorce to Mrs. Barbara Sargent, 277 Grand St., Redwood City, from Wade Sargent, former manager of the San Mateo office of the State Department of Employment.

Fifty dollars a month was awarded Mrs. Sargent for the support of the couple's 5½-year-old son, Richard.

ALBERT F. BULLIVANT, Endorsed By . . . Five Township Clubs of San Mateo County

Formerly First Township Clubs of San Mateo County

C. J. PETTIGREW, Sec.-Treas.

47 Hillcrest Drive, Daly City

Organized in January 1934—For the purpose of educating the people to City and County Government, and to have them interest themselves in the welfare of their respective districts, to uphold and maintain the Constitution of the United States of America and to repulse anyone or any movement that is not American in its ideas, or to anyone or anything that will not give the people as a whole—A Square Deal.

August 5, 1942

Albert F. Bullivant, 321 W. Oakland Blvd., Redwood City, California. Dear Mr. Bullivant:

It being our policy to reactivate county government and eliminate the chaotic condition existing therein, we, the Five Township Clubs of San Mateo County, in meeting duly assembled, unanimously endorse your candidacy for County Controller, and recommend your election to the voters of San Mateo County.

In making this important decision, we considered your fifteen years of faithful service to our county and its people, eleven and one-half years as Deputy Tax Collector, and three and one-half years as Deputy County Controller, in charge of the Redemption Department.

As an organization, we deem it advisable whenever practical, to recommend for advancement, one who has served so faithfully and intelligently, the people and our county government.

Your qualifications were well realized three and one-half years ago, when you were transferred from the Tax Collector's Office to the office of the present Controller.

It is a certainty, that if your services were needed at that time, these same services are doubly needed now, to render more substantial the governmental structure and more efficient the administration thereof, for the ultimate attainment of government dedicated to the efficient, constructive and economical administration of county affairs.

Wishing you every success in your election, we assure you our wholehearted co-operation and support.

Respectfully yours,

A. B. GOULD
President

C. J. PETTIGREW

RE-ELECT . . .

WILLIAM CROSBY CORONER (INCUMBENT) Coroner

Primary Election, Aug. 25th

A FAITHFUL EMPLOYEE

That's the best way to describe Coroner William Crosby when you consider that during his two terms in office HE HAS SERVED THE PEOPLE OF SAN MATEO COUNTY EFFICIENTLY, ECONOMICALLY AND FAITHFULLY.

Coroner is called, he has been KIND AND SYMPATHETIC.

In the administration of his public duties he has been PROGRESSIVE, EFFICIENT AND ECONOMIC.

Coroner Crosby merits your vote because he has served you, the taxpayer, faithfully. THAT'S THE REAL ISSUE IN THIS ELECTION.

He has given you, the TAXPAYER, REAL SERVICE FOR LESS MONEY (Coroner Crosby has NEVER been the recipient of fabulous Public Administrator fees) all fees now being paid into the County Treasury to help lessen the tax burden.

YOU DO NOT DISCHARGE A FAITHFUL EMPLOYEE BECAUSE SOME ONE ELSE WANTS HIS JOB.

Re-elect Coroner William Crosby, and keep a GOOD, FAITHFUL PUBLIC OFFICIAL in office.

In the handling of the be-reaved in cases where the

DEMOCRATS URGE SUPPORT OF EARL WARREN

'Olson Must Go,' Says Democratic Leader; Democrats Head Warren Committees

Signaling the mounting volume of rank and file Democrats switching away from Olson leadership, Democratic Assemblyman Jack B. Tenney, well known Musicians Union Leader in Los Angeles and legislative investigator of subversive activities, strongly opposes Governor Olson's re-election.

Tenney was one of the governor's staunchest supporters at the beginning of the Olson administration. This is what he now has to say:

"There can be no real Democracy within the Democratic party in California so long as its control rests with the present leadership. There is no room for independent thinking or wholesome opposition to the MACHINE.

"Olson has mistaken leadership for ownership. A change is absolutely necessary. Olson must go!"

Tenney's position is endorsed it appears by thousands of Democrats in California. Significantly, Democratic leaders head more than half the County Committees active in the Warren campaign for Governor. "Democrats," declares Jos. J. Rosborough, former Oakland Postmaster and Democratic leader, "should ponder well the words of Assemblyman Tenney, an outstanding leader in our own party."

"In this time of great national emergency, President Roosevelt has asked that petty partisanship be adjourned for greater responsibilities. California needs an administration pledged to that principle. Earl Warren, whose integrity has never been questioned, pledges such an administration. And Warren has never been known to break his word."

for GOVERNOR

Warren Non-Partisan Committee

THEY FEED THE FURNACES of WAR

Natural Gas Workers
Fight, too, for Victory

WHEN PEARL HARBOR plunged the United States into war, this utility company was prepared. No mobilization orders were necessary.

Our men, already working at full capacity, were ready. And among these non-military forces, trained by years of experience, one mighty important division is composed of the Gas Workers. They are men from many skilled crafts—engineers, chemists, gas technicians, compressor operators, pipe fitters and layers, trench machine drivers.

Their job is a big one. They must maintain a system of thousands of miles of transmission and distribution pipe lines, through which natural gas from the oil and gas fields of Central and Northern California is carried. They must deliver a constant flow of gas to the war plants in this extensive territory—to the steel furnaces, the shipyards, the cement plants, the shops and factories where production requires efficient heat.

Millions of cubic feet also must be supplied for the making of metallic magnesium. At the same time, the Gas Workers must maintain service to the cooking ranges and the heaters of 600,000 homes and supply the other fuel needs of some 3,000,000 people.

They are doing all this, laboring day and night, worthily carrying their share of the fight for Victory.

PUBLIC NOTICE

Russell W. Cantrell, Atty.
NOTICE OF HEARING OF PETITION TO MORTGAGE REAL ESTATE
No. 9729—Dept. No. 1

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of RAFFAELINA SCHENONE, Deceased.

ADOLPH SCHENONE, executor of the last will and testament of Raffaellina Schenone, deceased, having filed herein his verified petition, praying for an order to mortgage certain real property described in said petition, and alleging that it is necessary to mortgage the said real property to pay the debts outstanding against said deceased, together with the expenses, and charges, of administration of the said estate of said deceased:

NOTICE IS HEREBY GIVEN to all persons interested in the said estate to appear before the above entitled Superior Court, on Monday, the 24th day of August, 1942, at ten o'clock in the forenoon of said day, at the courtroom of said Superior Court, Department 1 thereof, at the Courthouse, in the City of Redwood City, County of San Mateo, State of California, then and there to show cause, if any they have, why an order should not be granted by said Court to the said Adolph Schenone, as such executor, authorizing and directing him to borrow the sum of Four Thousand (\$4000.) Dollars, or such lesser amount as to the Court may seem meet and proper, and to mortgage the real property belonging to the said estate, which is described as follows, to-wit:

All that certain lot, piece or parcel of land, lying, being and situate in the County of San Mateo, State of California, and more particularly described and set forth in the schedule hereunto annexed, marked "Exhibit A," and expressly made a part hereof.

Reference is hereby expressly made to the said petition of the said Adolph Schenone, as such executor, for further particulars.

Dated: this 10th day of August, 1942.

W. H. AUGUSTUS, Clerk.
By ALMA PAGANINI,
Deputy Clerk.

(SEAL)
RUSSELL W. CANTRELL,
Attorney at Law,
703 Market Street,
San Francisco, Calif.
(Endorsed) Filed Aug. 10, 1942
W. H. AUGUSTUS, Clerk.
By ALMA PAGANINI,
Deputy Clerk.

EXHIBIT "A"
All that certain real property situate in the County of San Mateo, State of California, described as follows:

Parcel One:
BEGINNING at a point in the

northeasterly line of the County Road, known as the San Francisco and San Jose Road, which said point is 12.86 chains along the northeasterly line of the said road from the intersection of the said line with the northerly line of a country road 50 feet wide running along the southeasterly line of the Tomasso Cresta Tract and running thence from the said point of beginning North 43°10' East 50.51 chains to a point in the southwesterly boundary line of the Rancho Canada de Guadalupe la Visitation, said point being 4.09 chains along the

said boundary line from the most easterly corner of the Tomasso Cresta Tract; thence on and along the southwesterly boundary line of the said Rancho North 53°30' West 6.10 chains; thence leaving Rancho boundary line and running South 43°10' West 49.16 chains to a point in the northeasterly line of the San Francisco and San Jose Road above mentioned; thence South 42°45' East 8.04 chains on and along the northeasterly line of the said road to the place of beginning. Containing 30 acres.

Foregoing courses run on a magnetic variation of 16°45' East; surveyed April 1st, and 5th, 1899; W. B. Gilbert, County Surveyor of San Mateo County.

EXCEPTING THEREFROM all that certain parcel of land conveyed by Deed from G. Schenone and Raffaellina Schenone, his wife, to Louise Capurro dated August 16, 1927, and recorded August 16, 1927, in Book 317 of Official Records of San Mateo County at page 40.

Parcel Two:
Lots 2, 3 and 4 in Block 220, as designated on the map entitled

"MAP OF THE LANDS OF THE ABBEY HOMESTEAD ASSOCIATION" which map was filed in the office of the Recorder of the County of San Mateo, State of California, on January 2, 1872, in Book 15 of Deeds at pages 2 and 3 and a copy entered in Book 1 of maps at page 14.

ALSO EXCEPTING FROM SAID 30-acre tract that certain portion thereof conveyed by Adolph Schenone, George Schenone and Raffaellina Schenone to G. B. Ferreccio and Elvira Ferreccio, his wife, by Deed recorded May 14, 1940, in

Book 902 of Official Records of San Mateo County at page 38.

ALSO EXCEPTING FROM SAID 30-acre tract that certain parcel of land described as:

BEGINNING at a point which bears South 42°07'30" East 76.51 feet and North 43°10'10" East 340.07 feet from the most southerly corner of that certain parcel of land conveyed by Adolph A. Schenone to Umberto Capurro and wife, by Deed dated July 2, 1928, and recorded July 2, 1928, in Book 365 of Official Records of San Mateo County at page 80; said point being on the

southwesterly line of a roadway, running thence from said point of beginning North 41°49'20" West, along the southwesterly line of said roadway, 146.19 feet to a point; thence following the northwesterly lines of a Cypress hedge the following courses and distances: South 46°37'10" West 88.78 feet; North 42°45'20" East 144.90 feet and North 42°26'40" East 86.34 feet to the point of beginning; containing 0.292 of an acre and being a portion of the Schenone 30-acre tract. 27 Local Men Inducted; State Speed-Up Indicated

George Paul, clerk of Redwood City-San Carlos-Belmont Selective Service Board 106, has been notified that 27 men from the local board had been accepted for service in the army on the last induction date, Aug. 13.

Several of these men already have left for service, Paul said, but others are now on 14-day leave and will leave here for Monterey Aug. 27.

Meanwhile, a speedup in the induction of draft registrants for military training was indicated today by Lieut. Col. Kenneth H. Leitch, state director of selective service.

"Calls for September have gone up," he said.

His statement, which he declined to amplify, obviously referred to quotas assigned the 284 local draft boards in California. Just how much the draft program is being stepped up is confidential information.

The new calls will affect men classified 1-A and those in 1-B with limited physical defects, Col. Leitch said.

Leitch previously stated that the supply of 1-A registrants probably will be exhausted in about two months, and that draft boards then will begin to call up married men in the 3-A class.

Inducted from the local board were Henry Sulo Lake, Peter Andrew Lawler, Ray M. Bornholdt (who transferred to Missouri), Harry J. Schmidt, Richard H. Hoenck, Estilio Tanasan, Benjamin Talagtag, Robert Henry Peterson, Cyrus E. Talant, Jose Igarta, Louis John Lagorio.

Lawrence Green, Cecil Westervelt, Gene Eldon Furnas, Jacob Sautter, Timothy John Herlihy, Roger William Hirschmiller, Ernest Louis Vannier, Salvatore Peter Longo, Cornelio David Garcia, Arthur Nelson Overton, Donald King Dukes, Alton Macomber Cook, Don Leong Chew (who transferred to San Francisco), Will Davis, and Ugo Joseph Sarti, a volunteer.

Enlisting for other military service just prior to induction

San Carlos Filly Wants a Name

SAN CARLOS—Molly's week-old filly made her debut this week in a carol erected for her at a gasoline station across El Camino Real from the San Carlos railroad depot.

The young filly, born last week, disrupted San Carlos bus schedules when her birth kept the mother, a bus line horse, from pulling her share of the load.

Hillis Hubbard, bus line owner, has placed the filly in the corral with the purpose of allowing his passengers to view the newcomer so that they may help name her.

Hugh Smith, candidate for county executive, will act as judge in the contest and contestants may send their selections to the H-H Ranch, San Carlos. Winner will be announced at a dance at the Devonshire Country Club Sept. 5.

were Gordon N. Welch, Froylan Pierson Casteneda, Rocky Eli Guida, Ashley Joseph Murdock and Donald Kleinmaier.

Augustus Predicts Light Primary Vote

A light vote in San Mateo County at the primary election next Tuesday was predicted today by County Clerk William H. Augustus.

Augustus based his forecast on the fact that application for absentee ballots has fallen off, and that there is a lack of interest for applicants to serve on election boards.

Instead of having applications pile up this year to serve on election boards, Augustus had to go after applicants in some precincts.

All absentee ballots must be in the clerk's office by Monday, Aug. 31. Absentee voters must vote on or before election day, Augustus stressed.

There are 281 precincts in San Mateo County this year, an increase of 27.

Labor-management committees now are boosting production in more than 900 war plants.

The moose is the largest of the deer family in North America.

Redwood City Man Wins Theater Role

Jack Roman of Redwood City has been given one of the leads in the play, "Back to Broadway," an Edward Clark Academy Theater production, a release from Hollywood revealed today.

Dubuque, Iowa, was named in honor of Julien Dubuque, a French-Canadian trader who got permission from the Indians to dig for lead there.

Seventeen pounds of kitchen fats saved will provide a pound and a half of glycerine—enough to fire 85 anti-tank shells.

way in his chosen profession," the press release stated.

Emerald Lake Group Seeks Police Change

Members of the Highlands District Improvement Club of Emerald Lake have addressed an appeal to the state legislature for establishment of an intermediate type of police district applicable to widespread residential areas. Although the group took no action to change the present type of police coverage—one man polices the area now—they expressed the opinion some action should be taken to alleviate the situation. The only other alternative under present laws requires a full police set-up similar to those of municipalities, members said.

The club heard a report from the county engineer's office that a survey has been completed in preparing for correction of a sharp curve at Oak Knoll and Summit drives.

The meeting was held at the home of John E. Barricklo.

MENLO PARK NEWS

BY D. E. O'KEEFE

There will be no more picnics in the Menlo Park gardens this season and there were only seven, when in other years there were usually 25. Picnics and other kindred pleasures are suspended for the duration.

A daughter was born in the Palo Alto Hospital last Monday to Mr. and Mrs. Jack Morey. The little miss tipped the scales at eight pounds. The mother is the former Edna Walker, one of Menlo's prettiest belles.

A meeting of the Warren Club will be held shortly at which county candidates will be endorsed. Warren is expected here to address the club.

The city council met Tuesday evening and fixed the tax rate at 70 cents on the \$100 of taxable property. The rate is slightly over that of last year.

Mr. and Mrs. J. C. Freeman and their pretty daughter, Nancy, are here from Boston. They have purchased a home in Stanford Park and intend to live permanently in California.

Five Locals On Gripsholm

The diplomatic exchange ship Gripsholm bringing 1451 American and other nationals from the Western Pacific Area is expected to arrive at New York next Tuesday. No visitors will be allowed on the pier until the examination of passengers has been completed.

Five persons from the vicinity of Redwood City are among those aboard the ship. They are Walter F. Arndt of 521 Clinton St., Redwood City; Dr. and Mrs. Allston Gourdin and Miss Kathleen Gourdin of San Carlos, and Serge Tumens of Menlo Park. Also aboard are P. J. Elder, Burlingame, and Diabhid MacKenzie of Palo Alto.

Mrs. Arndt and 10-year-old daughter, Rosemarie, left Redwood City recently for Long Island, where they will visit until the ship's arrival in New York.

Sliding Boy Starts Fire

BELMONT — A youthful attempt to simulate winter skiing on dried grass resulted in a two-acre grass fire in the 1500 block of Ridge Rd. in Belmont Tuesday at 6:30 p.m. Fire Chief John Marston said today.

An unidentified youngster was sliding down hill on his stomach, the chief explained, when friction ignited matches in his shirt pocket, slightly singeing the lad and starting a fire which took an hour to control.

Scorching oak trees in the vicinity, the fire threatened six houses before it was brought under control by Belmont firemen.

Hugh Smith Confident Of Victory Tuesday

Hugh H. Smith, candidate for the office of county executive at the primary election Tuesday, today thanked the thousands of friends and supporters in San Mateo County, who have aided his campaign. He declared the response to his candidacy had been the most impressive in his 22 years of public life, and that he is confident of the outcome.

"The office of county executive is one of the most important in our government," Smith said, "and the people should be vitally interested in what type of executive they have. From this office should come the leadership for all our public endeavors, and the office should be a constructive force for good government."

"In the main this has been a clean campaign, despite rumors that the county executive is planning to circularize the county with a secret letter of some sort, which will appear too late for any one to answer. This of course, would be political trickery, and I do not believe the people would fall for such tactics. There has been plenty of time for frank and public discussion of any issues, and the right-thinking people of this county will not be influenced by such methods."

"Such a secret letter would cost several thousands of dollars, and if the county executive is financing his own campaign, as I am doing, I don't think he has any such money to waste in last-minute attacks upon his opposition, or to make claims for himself he knows cannot be disproved until after the election. People of San Mateo County have expressed themselves rather forcibly in regard to unfair tactics in political campaigns."

"The question asked so often during this campaign, 'what became of the attempt to eliminate all names but that of the incumbent on the ballot for county executive,' has been answered. Your sample ballot shows you the American people will not be denied what is perhaps the greatest right of a free people, the right to select public officials of their own choosing. There are other names on the county executive ballot and the people will make their own choice."

"In the past four years at Redwood City San Mateo County's good name among its neighboring communities of the state has taken quite a kicking around, because of the executive's attitude toward his associates in county government. The executive might be expected to have disagreements with some of the officials once in a while, but when he feuds with most of them all the time, then there is something wrong. Surely you do not believe your county executive is the only one of your officials who can ever be right? "I am seeking this office at the request of thousands of citizens of this county, tired and disgust-

ed with the way things have been going in the executive's office in Redwood City. I believe we can have unity in county government without sacrificing one single thing of advantage to the people. We can have unity as well, despite the fact that officials may disagree upon issues under discussion. Frank and open discussion of public issues is to be encouraged, but when public officials lose sight of their responsibility to you and engage in personal quarreling and bickering then the public pays the penalty in inefficiency, lack of economy and unfavorable publicity. Discord is our enemy; let's get rid of it."

Smith has been a resident of San Mateo County for 34 years, 22 years of which have been spent in public service. Four years he was chairman of the San Mateo County Board of Supervisors, and has a reputation of being one of the best informed men on public affairs in the state, his friends claim.

Smith will speak Monday night over the air from Radio Station KYA at 7:15 o'clock in a review of issues which have been discussed in the campaign.

County To Receive \$66,316 Gas Funds

State Controller Harry B. Riley has apportioned \$66,316.86 of gasoline tax money to San Mateo County for the quarter ended June 30. The allotment was made on the basis of a motor vehicle registration of 48,680 for this county.

Riley said the apportionment was part of a total distribution of \$12,036,559 of gasoline tax revenue. Of the total he apportioned \$4,012,186 to California's 58 counties; the balance of \$8,024,372 he deposited in the State Highway Fund for highway construction and maintenance.

Of the latter amount \$2,006,093 will be apportioned later to cities for highway work to be done either by the cities themselves or by the Division of Highways on thoroughfares within cities.

The British Empire covers about one-fourth of the world's habitable land surface.

Redwood City Men Injured in Crash

Earl Kirk of 329 James St. and Alfred Hund of Route 2, Box 3104, both of Redwood City, were taken to Palo Alto Hospital Sunday night for emergency treatment following an auto accident.

The brink of Niagara Falls is receding at the rate of 2½ feet a year.

on El Camino near Sunnyvale. Hund suffered a small puncture wound in the left side of his forehead, and Kirk was treated for lacerations on his left knee. Both were released after treatment.

FINAL APPAREL SALE

Johns-Manville Journal

J-M Workers Get Mid-Year Report

Johns-Manville's president, Lewis H. Brown has just given every J-M worker a statement of the company's sales, profits, etc., for the past six months. Mr. Brown has been doing this for a number of years now as it helps jobholders understand the company's financial problems.

One of the big items in this half-year's J-M statement is, of course, taxes. For this period J-M has set aside for taxes more than \$9,000,000 or \$18,000,000 on a yearly basis. This is 4 times the 1940 rate, and one and one-third times the 1941 rate. This will be at the rate of \$1,200 per J-M jobholder this year.

The profit on each dollar of income was about half what it was for the first half of 1941—4 cents against 8. Sales income was \$48,750,000. Profit was \$1,799,389 as compared to \$3,018,801 in the first half of 1941. The dividend on common stock was reduced from 75 cents to 50 cents a share. The payroll rose about 1-2 million dollars—to \$17,300,000.

Taxes, you'll see, were over 5 times

"THERE IT ALL IS
IN BLACK & WHITE"

the profits and almost half the payroll.

About 80% of J-M production today is helping to fight the war, and the company itself is helping the war effort with its tax payments, and the jobholders are helping with their work—and their purchases of war bonds—97% of all J-M jobholders are now buying these war bonds.

Some Traveling

Five months after he enlisted in the Army Air Corps one of J-M's skilled mechanics arrived in India assigned to ground crew maintenance work. He wrote back to the folks at home:

"We fellows have taken a trip that some people spend thousands of dollars to take, and here we are getting it all for nothing."

THEY'RE READY — J-M men at the company's Pittsburg, Calif., plant are not taking any chances with an enemy that is always pulling sneak punches. Above is shown a group of J-M-ers receiving instructions in the use of gas masks supplied by the U. S. Army.

Supervisors Adopt Rate Of \$1.0554

San Mateo County has its lowest basic tax rate in six years, following adoption by the board of supervisors Tuesday of a rate of \$1.0554, which is a reduction of more than 17 cents from last year's figure.

Taxpayers will have to raise \$130,000 less this year than last year. Total amount to be raised by taxation for the fiscal year 1942-43 is \$1,317,901.45. Last year's basic tax rate was \$1.2335, which is \$0.1781 more than the rate for this year.

A balance of \$327,419.82 was left from last year's budget. Estimated revenue accruals other than from taxes amounts to \$790,635, giving a total of estimated funds available other than by taxes of \$1,118,054.82.

A total of \$2,430,845.50 was allowed in the budget for this fiscal year.

REDUCTION NOTED
Reduction in the basic tax rate was made despite a figure of \$60,000 which has been added for civilian defense, an item appearing in the budget for the first time. This year's budget also has an item of \$75,000 for elections, which was not in last year's budget.

Supervisor Alvin Hatch said county officials should be commended for removing everything from their budgets that were not essential.

"We had the utmost co-operation from all department heads," Board Chairman Fred E. Beer stated. "The reduction comes at a time when it should be appreciated more than at any other time, because of increased federal taxes and other war expenses."

SCOTT'S COMMENDATION
Winfield Scott of the San Mateo County Civic League, who has kept a sharp eye on the supervisors for about eight years, surprised the board today by commending it for the tax rate reduction.

"It is about the most satisfactory budget made as yet by any board of supervisors," Scott said.

The tax figure was computed on a net assessed valuation of \$124,896,686. Also accepted by the supervisors was school and special districts budgets. The supervisors have nothing to do with fixing these figures.

LIBRARY FUNDS
A total of \$28,722.31 for the county library is provided for in funds affecting territory outside incorporated cities. This rate is \$0.0354, bringing the total tax rate to \$1.0908. This is added to the total merely for the controller's office, it was pointed

War Bond Sales Total \$1,021,794

Redwood City's sale of War Bonds and Stamps passed the \$1,000,000 mark last week when a total of \$41,820 worth of the war securities were sold. Total sales since Dec. 7, 1941, are \$1,021,794, according to Atty. Daniel E. O'Connell, sales chairman.

Of last week's total \$38,750 was in bonds and \$3070 in stamps.

The \$41,820 sum compared with \$25,375 in the previous week and was the third consecutive jump in local sales.

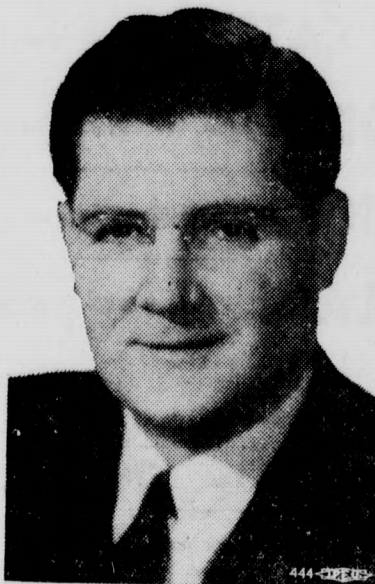

out by Beer, and does not alter the \$1.0554 figure. This year's basic tax rate is the lowest since 1936-37, when the rate was 81 cents. That year all the reserve was used. The rate went up to \$1.145 the following year, and in 1938-39 it was \$1.1440. In 1939-40 it was \$1.1316, and in 1940-41, \$1.0711.

Local Board Has Men for September

Redwood City-San Carlos-Belmont Selective Service Board 106 has enough men in classifications 1-A and 1-B to take care of the September quota, George Paul, clerk, said this week.

"Unless too many men get deferments, we will have a sufficient number," he stated.

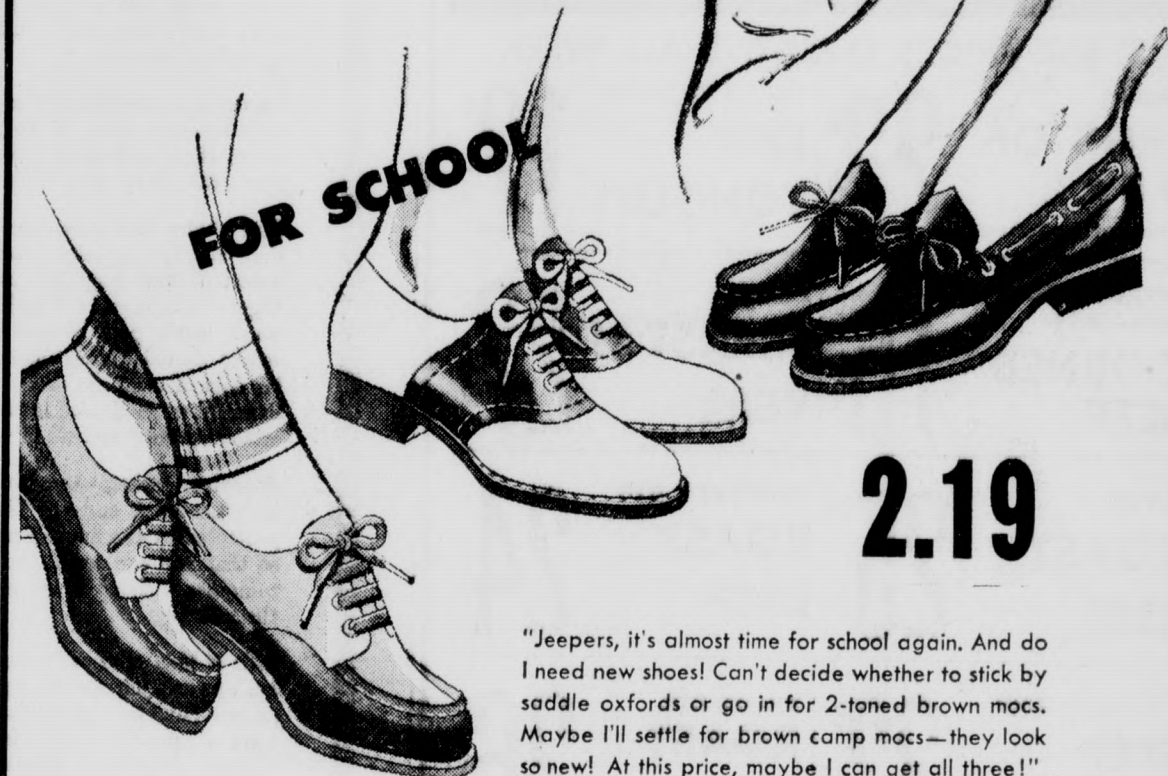

After the September allotment, however, Paul said he didn't know what would happen, pointing out that men in 1-A classification were getting scarce.

Yesterday in Sacramento it was predicted at selective service headquarters that California men will have exhausted its 1-A men by induction into the armed services probably within 60 days, indicating that men with dependents will be called soon.

Fur seals are mammals adapted to an aquatic life.

Menlo Park Council Approves Budget

MENLO PARK — Without a single protest either written or oral, the Menlo Park City Council Tuesday approved its new \$30,839 budget and set the tax rate subject to confirmations at the next meeting. Tax rate is 70 cents on each \$100 assessed property valuation.

This represents an increase of 12½ cents over last year's 57½-cent rate, but the council decided that by so doing it could protect the city's reserve funds and even increase them somewhat for possible emergency use.

The principal products of Burma are teakwood, tin, silver and petroleum.

First Things Come First War Calls Must Go Through

A cherished tradition among telephone men and women is that "the message must go through."

War messages for the sake and safety of all of us must go through first.

The demands of War are placing a load on our Long Distance lines often beyond their capacity.

It is impossible to build more switchboards and lines because materials such as copper must be used in making munitions and weapons.

You who use the telephone in these critical times can aid in getting War messages through promptly and in cutting down possible delays on your own essential calls if you will—

Be brief—Plan what you want to say.

Make calls only that you find essential.

Place your calls by number and use station-to-station service.

Answer your telephone promptly.

Your cooperation in these simple matters will make possible the maximum use of existing voice highways. Thank you for your help.

SAFEWAY Homemakers' Guide

★ Interesting facts about the world's most versatile food ★ A list of real money-saving foods ★ A four-part story about a great discovery

Things you may not know and should... about tomatoes

An article prepared by the Safeway Homemakers' Bureau

Tomatoes are without question the most versatile of all foods. They have a place at every meal—tomato juice, soup, salad, sandwiches, sauces, relishes—and they are equally good cooked or uncooked.

Tomato connoisseurs say the best way to enjoy them is to first scald them, then chill, peel, slice, and salt them. But there many other ways, too.

Tomatoes are wonderful for adding sparkle to other foods—meats, macaroni and spaghetti dishes, and vegetable casseroles. You'll find that round steak, pork or veal chops and steaks, shoulder lamb chops, and similar cuts of meat are more tender and flavorful when braised in tomato juice or tomato soup instead of water.

Another thing—tomatoes are rich in Vitamins A and C. Vitamin C is protected by the natural tomato acid, so that you can scald, cook, and can tomatoes without sacrificing much of the vitamin.

This is the season when tomatoes are ripe and juicy in most parts of the country, and it's a good time to put up tomato juice. The juice is almost as versatile as tomatoes themselves. Serve it hot or cold, as is or highly seasoned, or combined with other liquids. For peppy flavor, add lemon juice and Worcestershire sauce.

TOMATO JUICE

10 lbs. tomatoes 2 tps. salt
Wash and core but do not peel tomatoes. Cut in eighths. Place in large 8-qt. kettle; add 2 cups water; cover; boil 10 minutes. Put through sieve to remove seeds. Add salt and heat to boiling. Pour into hot sterilized jars or bottles; seal, and pasteurize (directions follow). Makes about 7 pts.

Bottling and Pasteurization

Do not use lids with zinc tops. Wash jars thoroughly; sterilize by placing in boiling water for 10 minutes. Heat juice to 175° F. to 180° F. Pour into hot jars, filling just to 1½ inches from the top to allow room for expansion. Seal at once, according to type of lid. Place hot jars in water which has been heated to 160° F. to 185° F. Stand jars upright on rack; have completely covered with water. Heat water to 175° F. to 185° F. and hold temperature 30 minutes. Do not heat higher than 185° F. Remove immediately from hot water. Test seals for tightness. Let cool undisturbed in place free from draft. When cold, wipe off and store.

LOOK WHAT DIANE'S DISCOVERED!

WHY! WHY! WHY, MUST YOU ALWAYS DO ALL YOUR SHOPPING SATURDAY—THE ONE DAY WE'RE FREE TO DO WHAT WE WANT.

EVERY SATURDAY WE HAVE THE SAME ARGUMENT. HE SHOULD KNOW YOU HAVE TO SHOP ON SATURDAY IF YOU WANT TO SAVE MONEY.

OH, BUT YOU'RE WRONG THERE, DIANE. HERE, LET ME SHOW YOU TODAY'S SAFEWAY AD.

GOSH, SHARON, I WISH I'D BEEN TOLD ALL THIS SOONER.

SEE, SAFEWAY'S ADVERTISED SATURDAY PRICES ARE NOW GOOD EARLY IN THE WEEK. AND LOOK HOW LOW THEY ARE!

GEE, DIANE, THIS IS SWEET. SATURDAY SHOPPING DONE ALREADY, NOW COME SUCH A SMALL ORDER!

WELL, I READ SOMETHING THE OTHER DAY THAT TAUGHT ME A LESSON. NOW I GET MY "BIG" ORDER IN ON A WEEKDAY AT SAFEWAY AND THEN JUST FILL IN MY WEEK-END NEEDS ON SATURDAY. IT SAVES TIME, TROUBLE AND MONEY.

(All items in this ad subject to having stock on hand.)

Why don't you get your "big" order on a weekday too?

Not only will you have more time to play on weekends, but you'll be able to shop more leisurely if you get your big grocery order on a weekday. Safeway's specially low advertised prices, you know, are now good early in the week.
